Please read the below statements prior to signing:

1. The Applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and PA ACT 45 (Uniform Construction Code) and any additional approved building code requirements adopted by the Municipality. The property owner and applicant assume the responsibility of locating all property lines, setback lines, easements, right of way, and flood areas. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of the Municipality or any other governing body. The applicant certifies he/she understands all the applicable codes, ordinances and regulations. Should it be determined that any of the information on this application be false, said application and/or building permit will become null & void.
2. CODE COMPLIANCE. The Uniform Construction Code, and the latest addition of the International Residential Code for One and Two Family Dwellings, with possible modifications for Local Code Administrations, shall govern the construction under this application as well as any and all drawings/plans submitted with this Application. In the event of conflict between the design of the drawings/plans submitted and pertinent codes and regulations, the more stringent provisions shall govern construction.
3. No work may be concealed from view until it has been approved by a . Engineering Inspector. I fully understand that it is my responsibility to call for the inspections and that, if inspections are not made according to this procedure, I may be in violation of the UCC and may be subject to prosecution. The Building Code Official shall not accept an inspection from any inspector other than the approved inspector (it is illegal to accept the inspection(s) from those not approved/appointed by the Municipality).
